About the CHO Program

The Community Homes for Opportunity Program offers more than just a place to live. It provides supportive housing with 24-hour supervision in a group home setting for individuals with serious mental health issues. CHO staff will ensure that each client's unique needs and choices are assessed and addressed.

The CHO Program in Huron Perth is accountable to the Ministry of Health and Long-Term Care and services are provided by and administered through CMHA-HP. Homes within the CHO Program are independently owned and operated, however they are inspected annually by Fire, Public Health, and the CMHA staff. The ministry will then issue licenses based on the CHO Program Manager/Agencies recommendations. The CHO homes are in both a rural and urban area in Perth County located in St. Mary's Ontario.
